

THE UNIVERSITY OF PITTSBURGH IS COMING TO NAPLES!

For the 14th consecutive year, Pitt is offering an exclusive opportunity for alumni and friends to hear from some of our most accomplished faculty members. Each year, featured researchers, clinicians, and educators—experts in their fields—present material that is engaging and showcases the ways in which science is shaping the future of health care.

This year, Winter Academy will be held on Friday, February 15, 2019, at the Ritz-Carlton Resorts of Naples in Naples, Florida. We are once again thrilled to have our clinicians and researchers provide enlightening insight into how the University of Pittsburgh's groundbreaking efforts are making a difference.

Please join us by becoming a sponsor of this one-of-a-kind event. Winter Academy is a full-day of presentations culminating in a reception where guests can mingle with alumni and friends and have the opportunity to meet the speakers. Through your sponsorship, the University of Pittsburgh will continue to feature some of the best and brightest minds at Winter Academy and provide a unique experience for our guests. Sponsorship support assists in showcasing the powerhouse that the University of Pittsburgh has become and the faculty members who are leading the world in finding new and better ways to diagnose, treat, and prevent some of the most troublesome health care concerns.
